The session aims to motivate and equip them with strategies to overcome challenges and learn about goal making.

Kwanants Pi'yum Youth Field Camp: Aug. 2-4

Campers will dive into Paiute history, including a workshop on how to introduce themselves in the Paiute language, and explore other cultural teachings. In addition to cultural enrichment, participants will gain essential skills in basic first aid and camping. The camp also provides ample opportunities for enjoyment and relaxation at the scenic Navajo Lake, ensuring a well-rounded and memorable experience.
