The Greenshow

At the end of this month, our youth will be performing at the Utah Shakespeare Festival Greenshow. This will be their first of four performances; the other three will take place on July 22, August 13, and August 29.

These 30-minute performances happen before the main play just outside the Engelstad Shakespeare Theatre, and they help us showcase and share our Paiute culture.

This year, the performance will be a bit different from the past years so come and support our youth.

We hope to see you there!
